

V.KISHORE

COMPUTER SCIENCE ENGINEERING STUDENT

Chennai, Tamil Nadu | <https://www.linkedin.com/in/contact-kishore-v> | GitHub: github.com/Kishore-2007-web | itsmekishore00@gmail.com | 8838635463 | Portfolio: kishore-portfolio-xi-kohl.vercel.app

SUMMARY

Motivated Computer Science Engineering student with knowledge of web development, programming, app development concepts, and UI/UX fundamentals. Familiar with HTML, CSS, JavaScript, Python, C, and SQL through academic learning and personal projects. Interested in building practical software and web solutions while continuously improving technical, problem-solving, and teamwork skills.

SKILLS

- Programming: HTML, CSS, JavaScript, Python, C, SQL
- Web Development: Responsive Web Design, Frontend Development
- UI/UX Tools: Figma, Canva
- Development Tools: GitHub, VS Code, Blender
- Soft Skills: Communication, Teamwork, Problem Solving

PROJECTS

Completed Web Development Projects

- 1.construction company website - apex-constructions-iota.vercel.app
- 2.dental clinic website - zenith-dental.vercel.app
- 3.food delivery website - bite-swift-seven.vercel.app
- 4.realestate website - veridian-estates.vercel.app
- 5.hotel room website - the-grand-horizon.vercel.app
- 6.beauty parlor website - maison-de-beauty.vercel.app
- 7.restaurant website - lumi-re-restaurant-ochre.vercel.app
- 8.interior website - vskinteriors.vercel.app

Ongoing Projects

1. **Expense and Business Tracking App** — Developing an application to manage expenses, business records, and tracking workflows with a focus on practical usability and organization.
- 2.**Language Learning App** — Building an application aimed at supporting language learning through structured content, interactive features, and user-friendly learning flow.

EDUCATION

Bachelor of Engineering in Computer Science and Engineering (B.E. CSE)

Jaya Engineering College | 2024 – 2028 (*Expected*)

Currently pursuing **3rd Year / 5th Semester** in Computer Science and Engineering, with focus on programming, web development, and software development fundamentals.

Higher Secondary Education

Emmanuel Matriculation Higher Secondary School

Completed Higher Secondary Education

ADDITIONAL INFORMATION

- **Languages:** Tamil, English
- **Interests:** Web Development, UI/UX Design, 3D Modeling, Game Development Basics
- **Strengths:** Quick Learner, Creativity, Teamwork, Adaptability

- **Career Objective:** To build a strong career in software and web development by continuously improving my technical and creative skills.
